

Angel Marie Stamper

June 30, 1965 - December 27, 2020

Angel M. Stamper, age 55, of East Peoria, was called home to The Lord at 8:10 a.m. on Sunday, Dec. 27, 2020 at St Francis Medical Center in Peoria.

Born June 30, 1965 in Peoria to Milton and Shirley (Mehn) Stamper, Sr. They preceded her in death.

Surviving Angel are three brothers: Milton Jr. (and Marie) Stamper, Charles (and Ada) Stamper, and Christopher Stamper; four sisters: Edna (and David) Henley, Misty Stamper, Jennifer (and Matthew) Weitzel, and Debra (and Andrew) Ledeboer. Along with many cherished nieces, nephews, aunts, uncles, and cousins. All of these she loved and touched deeply.

Angel took on the role of helping raise her younger siblings when their mother passed away at a young age, and is fondly remembered by her siblings as a loving second mother who was fiercely devoted and protective of her family. Angel had a fighting spirit and never backed down from a challenge. If you saw her bite her lip, you knew to run away.

Until her health made it impossible Angel attended Pekin First Church of God. For many years Angel took pride in her position as assistant manager of Taco Johns where she was loved by those who worked with her.

Angel was also known for her love of anything lemon flavored, her passion for the color purple, and her ability to sneak sweets to nieces and nephews when their parents weren't looking. She will be missed beyond measure.

Cremation services were provided by Schmidt-Haller Burial and Cremation services in Peoria. The family will have a celebration of life gathering at a later date.

“ There are so many good memories with auntie Angel ♡ visiting her and Augy in North Pekin; sharing a room with her and my mom in Texas and watching her favorite shows, chips, dukes of Hazzard, and price is right; working with her at taco johns in East peoria- her buying us breakfast before our shift started, and her biting her lip♡ spoiling all the nieces and nephews(and babies in between).....Not a day will go by that she won't be in my thoughts.♡♡i love you auntie♡
