“ Mike was a room mate at the Ohio Club in Stadium Dorms at OSU in 1953. I have many fond memories of him there and around campus as well as the trip I took with him home to Amanda for a high school basketball game. We lost track of each other and only made a connection again through his sister, Becky, when we were colleagues at OEA, My regret is that we were never able to get together to talk about those good old days. But like all Mike's family and friends, I still have my memories of the time we spent together.

“ I am a dining server where Mike lived and he was just a wonderful man! He was always smiling and would joke around with me every time I saw him. He will be greatly missed. My thoughts and prayers are with Cheryl and all of his family.
