“ My dear Jack,  
We lost touch the last few years since Dan died, but our memories will live in my heart forever! Met you in the 90s at the Country Oasis and we maintained our 'dancing' friendship until all the good places closed down. We hooked back up years later in the biking community and picked right back up where we left off. You will be missed my friend. {{Tell Dan I still love him -- maybe you two can get some shit-kicking dancing started up together in heaven}}

Rest in peace, my friend. Prayers to the family you left behind. I wish them love & peace.

“ I met Jack at Cat years ago. We started a bass fishing club along with some other friends called the Kickapoo Creek Bassmasters. Last time I seen him was at the hospital years ago after his accident. Lost track after that. Knew him for many years. A good guy. So sorry to his family for your loss. Jim Sharpe
