

## Lawrence "Larry" E. Bickerman Jr.

June 4, 1947 - May 26, 2020

Lawrence E. Bickerman, Jr., 72, of Chillicothe, IL, passed away May 26, 2020. Born June 4, 1947 to Lawrence and Carrie (Dunn) Bickerman, he met the love of his life, Mary Jo Rowell, in typing class at Henry-Senachwine High School. They married July 25, 1970. What started off as a date at Pizza Cellar in Princeton, IL turned into a weekly tradition, every single Saturday for almost fifty years, often followed by trips to visit family.

Following a fascination with vehicles from a young age, Larry learned auto body repair at Greer Institute in Chicago. He worked for Peoria Motors, Peter's Automotive, Stoeker's Service, and A-Plus Auto Body, retiring after more than four decades. In his spare time, he coached little league softball and baseball in Rome, IL.

Larry was a devoted family man who will be deeply missed by his loving wife; three children, Courtney (Burliss) Pierce of Peoria, Renee Bickerman of Chillicothe, and Lawrence III, aka Loren, (Erika) Bickerman of Pekin, as well as five grandchildren, Calista Cuevas, Jaxon Cuevas Garceau, Easton Bickerman, Landon Bickerman, and Brooklynne Pierce. When asked, "Who is your favorite child?" He quickly replied, "None of them! My grandchildren are my favorite!"

He was preceded in death by his parents and his brother James.

“ Larry And Mary Jo We are longtime family friends. Joined them for pizza In Princeton  
Many times and shared many happy memories together over the years. Larry Was  
always so fun to be around and so very caring. He was committed to his family. I  
knew both of his parents Who were very well respected in Henry. Larry was certainly  
our go to guy with his autobody skills wit our deer encounters .

“ Larry and Mary Jo became a huge part of my life when I met their daughter,  
Courtney, at the bus stop for kindergarten. I cherish them both as if they were my  
own parents! After all, the saying is true, “Friends are the family you choose with your  
heart”.

My favorite memory of Larry was when I came back home to visit and I left my car  
keys on the kitchen table. When Courtney and I got back from dinner, I discovered  
that Larry had fixed a huge dent in my bumper, which I could not afford to get fixed,  
as a surprise! It's the kind of thing a dad would do for his daughter. It was so  
thoughtful, and appreciated, and it made me love him even more than I already did.

I am going to miss his laughter, his wisdom, and his love. I always knew I had a place  
in his heart and in his home.
