“ Always in my heart Aunt Marty. Your loyalty and steadfast love for your family will always stand out to me over all else. Thanksgivings at your house as a young girl will always be some of my favorite memories. Listening to Ronnie Milsap as we drove to Morton Family Restaurant each morning and laughing at my new lyrics to Lil Gold Band. I will miss those likes and shares they always encouraged me. Thank you for being the best Aunt!!

“ In our household as children there was no money to buy sweets such as cakes, and candy, but as a young girl I remember Marty making fudge for us kids. I remember standing by her side at the stove. She would be stirring the fudge until it was just right. She would smile watching us younger ones enjoying that sweet candy. So many precious memories. I loved her so much, and will miss her terribly.
