“ Dutch and Evelyn have been our neighbors in Chillicothe for years. I remember as a child looking over across the street and seeing Dutch working under the hood of a car . He would often look up and say hello. When our dad passed away in 2006, I remember Mom pointed across the street to the tree in Dutch’s front yard. He had made a face on the tree and Mom told us that Dutch told her that whenever she looked across the street that was a reminder that Dad was watching over her! Dutch and Evelyn have been wonderful neighbors all these years. I was so sorry to hear of his passing. May he rest in Eternal Heavenly Peace, and may the Lord give Evelyn strength during this time of sorrow. Sending my love and blessings to the family.
