“ I met Susan after she moved to Peoria to be near her daughter and her family. She was a devout Episcopalian and needed help learning her way to St. Paul's Church. I drove her to church and to medical appointments until she learned her way around the community from her home. We stayed in contact by phone when I was dealing with my own health issues and offered each other support through our conversations and sharing. She was a devoted, caring, Christian that shared that with her nursing and communication with others. I will miss my friend. May light perpetual shine upon her.

“ Susan was a dear childhood friend of mine. We sang in the church choir together. We had teenage adventures skating and swimming on the Navasink river. She was a bridesmaid for my wedding and threw a lovely bridal shower for me. When my first child was born at St.Luke's hospital she helped me bring her home. She was a true friend. We had been speaking frequented during the past few years. She seemed happy to be living near her daughter and family and was very proud of them. I last spoke with her in March and did not realize it would be the last time. I know she is with God in heaven now in peace with no more physical struggles. The picture I posted of her was from my wedding when we were 22 years old. I will miss her.
