“ *~~~~~Amy, I just learned of your passing yesterday. In the short time that I knew you, you were kind, full of smiles, eager to live life, our family will miss you. I pray you are in the arms of Jesus Christ your Savior and your Lord. I pray for your family and your friends and acquaintances since that you have left behind; if they too will find love love of Jesus Christ in their lives as well. Will be looking forward to seeing you sometime in my future as well when I come into my Eternal reward as you have In heaven. Your friend Diana, Iowa ~~~~~*
