It is with heavy hearts we announce the passing of Austin Wesley Trantina, 34, on September 26, 2024 at his residence in Morton.

He was born July 17, 1990 in Indianapolis, IN, the son of Russ and Connie (Schnack) Trantina. They survive.

Though he often kept to himself, those who knew him best knew the depth of his big heart and his willingness to help others. Austin was a huge animal lover and an avid University of Michigan fan. Above all, Austin loved his family, with his daughter being the light of his life. “ I am a coworker of Tamra and wanted to express my sympathies to the entire family. I am very sorry to hear the news. I hope that God's words found at Revelation 21:4 can provide a measure of comfort to you. There he says that he will wipe out every tear from our eyes and death will be no more neither will mourning, nor outcry, nor pain be anymore. The former things have passed away. So we will have the hope of seeing our loved ones again in the future. You all are in my prayers.
