

## Belinda Uptain

October 20, 1972 - June 10, 2025

In loving memory of Belinda Uptain, Oct 20th 1972 to June 10th 2025.

With deep sorrow and endless love, we remember the beautiful life of Belinda Uptain. A devoted wife, loving mother and joyful grandmother. Belinda was the heart of her family whose strength, laughter and love touched everyone she met.

Belinda is survived in life by her loving husband, Tim Uptain, and leaves a legacy carried on by her children, son, Scott Simmons Jr., daughter, Faith Lingenfelter, and son, Michael Simmons. She was the kind of mother that never stopped thinking about her children, always worrying, always caring, and always loving with every essence of her being.

Belinda especially cherished her time with her grandchildren. Her favorite times were spent next to a body of water fishing, laughing, and telling stories that created memories that will last forever. Her laughter was infectious, her presence comforting, and her spirit unshakable. She gave without question, loved without condition, and lived with a heart full of grace.

Belinda's memory will remain as a guiding light to her family and all that were blessed to know her. Her love lives on in every laugh, every memory, and every heartbeat of those she left behind.

Rest easy Belinda, you will be forever loved and missed.
