“ Mom your celebration of life was so beautiful. I hope you were looking down smiling. I can't believe you are gone. I miss you so much and I need you to look over me and give me strength to keep going. I am so numb and broken. Just know you have a piece of my heart with you. And I will never be the same again without you. I love you so damn much.\nLove your daughter Maria.

“ Grandma where do I bein. This one hurts us all. U was such a n amazing person and loved going to bingo. I remember when I turned old enough to go u broke ur neck to get me to go with u. I miss u so damn much. When we was kids I would always come stay with u We always played uno or phase 10. Them cookouts u would always throw nd invite anyone and everyone just to have everyone around. I love nd miss u so much 💔💔💔😭😭 May u rest easy and continue to watch over us.

“ Mom I don't know where to start. I know you're no longer suffering and you were ready, but I wasn't ready for you to go. I love you so much, thank you for always being that loving mom that took care of me, that Mom that brought me into this world and showed me how to be strong. I don't know how I'm going to get through this part of life without you. You may be gone but just know you took a piece of my heart with you.
