“ *Brenda, my memory was of first time we met and you asked me how to get a boy. After 6 kids, only one boy, I told you the secret. Then after, you had my three nephews. I also still have that bruise from the pinch you gave me when I asked how you got all of your children to behave. My brother and all of my nieces and nephews, as well as the whole family will miss your wit and caring. Rest in Peace and may God's love spread over your family.*
