“ *I remember going to twin lakes to swim. She was driving her 65 Chevy, dark green with black interior and convertible top. When we got back to the car and sat down, the seats were like lava!!!*

“ *What a GREAT woman Brenda was.\nAll the years I worked at Randolph and Associate's and the companies that bought them, one constant was Brenda.\nSadly, over the years I lost contact with Brenda and Bill and what a loss that was for me. Brenda and Bill were always good friends when I lived in the Peoria area.\nI know, without a doubt, Brenda will be greatly missed by family and friends.\nMy prayers go out for Bill, Angie, Andy, Billie and the rest of the family.\nGary Kindle*

“ Brenda was a special part of our ladies Racquetball group. Although she lived in Illinois she would travel to Florida to join our group for gatherings. She was always with us at tournaments and we played as doubles partners sometimes. She and I would text each other during tennis tournaments expressing our thoughts on the matches. A lovely lady who will be missed.

“ I fondly recall Brenda from the days of racquetball around the area. I was fortunate to get to play with her and get to call her a friend. She had a great competitive spirit and wasn't afraid to step on the court with the "boys". Monica and I are so sad to hear of her passing and we are sure she will be greatly missed by the many people she befriended, inspired and even humbled on the court. Our thoughts go out to Bill and the rest of her family.

“ *Brenda was always one of the first people I would seek out at a family gathering. Her wry wit and sense of humor made me laugh and she was fun to be around. She always made me feel welcome and was the most wonderful host. Her huge heart and big smile will be missed. She was loved as deeply as she loved back. My heart is with you all, especially the grandkids. Our condolences for your loss.*
