“ So many wonderful memories of your Mom. She always loved me. And I knew it. She called WIRL radio when I turned 9 years old. Asked them to wish me a Happy Birthday and dedicate a song to me. The song was Tiny Bubbles by Don Ho. Our Dairy Queen stories are legendary. RIP , my friend. I think she may be catching up with Shirley.

“ I am so sorry for your loss. Your Mom was the sweetest lady that I have known. She was always standing at the fence whenever we were riding our bikes by or whenever we were walking our dogs, Winston and Whiski. If we ever needed anything, she was always willing to help in any way that she could. She will be greatly missed.
