“ I remember all of the times she came out for special events at the farm in Bradford and her throwing me and her Aunt Donna surprise birthday parties as well as the karaoke shows we did for her birthday as well and I also remember the joy she had in each of you children. She was always telling me how proud she was of you and I will truly miss her infectious smile and laugh that she had. She is especially proud of you kids and the geand kids accomplishments so be proud and not sad in her passing she put up a great fight. But God called her because her time was finished she had done everything that he wanted her to accomplish, fly high Cyndee as i know you're one of God's top angels now Rest In Peace and I will miss you a lot, kisses and hugs to you for all you did to make everyone's lives better.
