“ *Grew up with the Lovell family. Bought my gas from Harry for years. David and Danny were always there to help me and my family with our cars we needed them. Saw Dave at the BluesFest nearly every year. Great guy, from a very nice family. Sorry to see his passing. On to bigger and better places! Rest in Peace.*

“ *I'm deeply saddened by Dave's passing. I've known Dave since the late 70s. I had not seen Dave for 17 years & about a week before his birthday he found me on Facebook & I & my friend met Dave for his birthday after not seeing him in 17 years. He had been telling me he was having trouble seeing out 1 eye left his work & saw a dr that told Dave diabetes next time I talked to him dr had put him on medication & he said it made him feel really bad & I tried calling him & texting him then my friend sent me Dave's obituary. I'm so very sorry for Dave's family I send my condolences 📍 😞*
