“ A Friend, roommate, and coworker. Scott was a great friend and will be missed a lot. his sense of humor and infectious laugh now belong to our memories. One particular event that sticks out to me is Scott would always jokingly ask me if I Just got out of a shower at work dues to my sweating. Then there was that fatefully day he clipped a fire sprinkler head in the back aisle of Menard's. There was Scott looking like a drenched rat soaked in the foulest smelling water ever sitting on a forklift .. all I could say to him was \” just get out of the Shower\” I know you had your demons buddy, rip
