“ Our time together was short but it feel like a lifetime. Once we connected it was texting, emails, pictures, and long conversations. We planned so many time to meet up but it just never happen like we had hope, but we finally did. Debbie, you will be truly missed. I am so grateful for the time we shared. Family, I am so sorry, my heart is heavy and I know that God will see each of you through this moment. Debbie spoke so proudly of her family and was always upbeat about life. She was my big sister and a great friend.
