“ As Scrivenings Press authors, Debbie and I signed up for a fun Christmas event. It has a strange name, but I call it the Christmas \“Book Flood,\” where all the participants send a used book to be opened and started on Christmas Eve. Two years ago, Debbie was my partner. Debbie loved the book I sent, and I loved the book she sent to me. I met her at a conference, and she was a fun, pleasant person to be around. Her posts were all about her family whom she adored. On one hand, I'm glad she's no longer suffering but will miss her upbeat personality. Debbie was a sweet bright light. Mary Pat Johns
