“ Am so sad to hear we lost Denise far too soon. So many memories and good times were had. I can still remember like it was yesterday driving around in "The Buck". You will be missed and never forgotten. RIP

“ I miss you already! My heart is swollen with tears, but my mind is soothed with calm, as I know your so much more comfortable and pain free now. You get to be the first grandma to be with my Angel with wings! Now that's something to be proud of Mama! Bring the life to the party up there, with all your friends, and defenitaly with Grandma and Grandpa! Tell them we all miss them down here, and give them all extra hugs and kisses from the rest of us!
I love you Mama! R.I.H
Love always,
your daughter,
Stephanie
