“*Don and Dawn are my 2nd parents. Their girls Maggie and Tabby have been two of my closest friends for over 12 years. Don accepted me right away and considered me one of his kids. When I moved to Florida he told me I'd sink and sent me rain protection. He loved his wife Dawn and kids with a love I can only hope my kids and husband sees. Rest now Dad but not too much we will still keep you on your toes. All my love. One of the many you adopted*
