“ *While I never had the pleasure of meeting Edna, I know she was a wonderful person. I worked with Andy (who was a great guy) at Lowes and moved to MN in 1997. Every year since we exchanged Christmas cards and even after Andy passed away she continued to send us a card each year. Your family has my deepest condolences. -Mike Woods*

“ *Edna was a warm and loving grandmother to me, even though we weren't related by blood. I enjoyed spending time with her and Andy as a child and think back at how lucky I was to have an extra set of amazing and kind grandparents. She will truly be missed. Sending my deepest condolences to Deb, Ken, and Andy and all of the family. We love you!*
