Ethelann Cole Heisler, born in Chicago, IL, on July 7, 1936, passed away peacefully surrounded by her family on May 28, 2024, at Eureka Apostolic Christian Home.

She is survived by her children, Jean (Dan) Gannon of Augusta, IL, Dr. Cole Heisler of Salem, MO, and Sally Broadt of Metamora, IL; her grandchildren, Kelly (Eric) Bunnell, Torry (Stephanie) Gannon, Tracy (Derek) Anderson, Caleb (Emily) Heisler, Noah (Makaela) Heisler, Micah Heisler, Cloe Heisler, and Amy Broadt; her great-grandchildren, Tegan, Nellie, Wesley, Elsie, Dani, Ian, Elyse, Tobias, Raya, Grayson, and Oakland; and her sister, Lolita Perdue; and numerous nieces and nephews.

She is preceded in death by her parents, Paul and Lolita Cole, and husband Lloyd "Skeeter" K. Heisler.

A proud Alumni of the University of Illinois with a degree in Home Economics, she embarked on a journey of love with Lloyd K Heisler on June 28, 1958. Ann dedicated her career to nurturing young minds not only as a homemaker, but also as a reading specialist aid at Washington Community High School. Her passions extended far beyond the classroom, as she found joy in family fishing vacations, becoming a master gardener, exploring the world through travel, indulging in the world of literature, antiques, and morning walks with

good friends.

Scrabble battles and playing in the park with grandkids were a cherished past time, alongside her talents in sewing and quilting. Ethelann's rhythm extended beyond the pages, as she gracefully danced through tap lessons.

Her heart of gold extended to others, evident through her volunteer work at the suicide hotline, tending flowers at Snyder Village, Art and Science in the woods, and Meals on Wheels.

She was a member of Metamora Christian Union Church.

Ann's legacy is one of warmth, kindness, and a zest for life that touched all who knew her. She will be deeply missed.

Cremation rites have been accorded by Schmidt-Haller Burial and Cremation Services. A private family memorial will be held.

Memorials can be made to the Playground Fund at Metamora Grade School or Washington Community High School Library.

“ Your mom always made me feel at home when I was there. I love your family dearly. One of my favorite memories was when Anne tried to sneak ground turkey into the taco salad recipe. 2 bites in, Skeet’s face screwed up and he was not having it. Cole and I laughed and laughed.

“ It's hard to put into words what Ann's friendship meant to me. When we met over 50 years ago, we were both rehabbing neglected old farm houses. Our first project together was to take a class in how to repair plaster. We then spent months working first in one of our houses and then in the other....a friendship forged in plaster!!

Anything was fun with Ann!!!

Rest in Peace Dear Friend. I will always miss you.
