“ I am Jerry Gunter. Denny is my cousin and my friend. We were close. Denny came to visit me in El Paso and was there to support me when my mom and grandma died.
I have been calling him for a few weeks but got no answer and was getting concerned.
I am very saddened by his passing.

“ Big hearted Uncle Denny, my namesake, was always interested in genealogy and the Bigfoot legend. He generously helped many, many seekers in their quest for roots, myself included. Now he's gone Home, following the Perfect  (Big!) Footsteps of Jesus, the Root of Love  and Life, the Word, the Truth, the Light and the Way. God bless you, der Onkle, Ich liebe dich, and don't drink ALL Heaven's Moo Juice! I will read the memories of your life story again and again in my heart. OxoXox, your niece, deni anna

My dearest Cousin Denny. I & the rest of the Haun family & cousins are just now learning about your passing (May 5, 2026) we are so sad to know you are no longer with us. You are now together as a family once again, you, Buckie (Charles) your mom & Uncle Chuck

You & I solved several genealogy problems while working together on family members. I'm going to miss hearing your voice or receiving your emails & messages.

I'll miss your stories about big foot & how this last trip on your Bigfoot find you fell & injured your self, you were all alone on that exploration. That was your last trip.

I love you sweet guy! Give my love to all the Haun family up there in the heavens.

*I will try to dot the dots on my genealogy work just as you always did.
Love You,*

Cousin Chris
