“ I was so sorry to hear Fred had passed. I met Fred through Carol. He was a nice man and a good brother. I have gone to the hospital when Carol had her surgeries and Fred was always there too. Sometimes we all went out to eat on some holidays. He will definitely be missed.

“ Fred and I reconnected the last decade of his life and we enjoyed concerts just like we did in our 20's. AC/DC in the quad cities, Stones in Chicago, Kiss at the Pekin High football stadium, and so many more over the years. Sometimes just relax on the porch and watched the traffic go by. Fred loved cars and music. Fred will be missed

“ I'm very happy that last week I told Fred that going to the concert he invited me to go to & her had a ride set up for me as, I don't drive do to health issues. The concert was Led Zeppelin tribute band Get The Led Out. I told Fred it was one of the highlights of my year. He told he wasn't feeling well & that he was turning in & that's the last time we talked. I've been trying to reach him left messages on his phone. Told him I might have to do a wellness check if I didn't hear from him. Then today Phil a mutual friend sent me Fred's obituary. My Deepest condolences I'm so very sorry for your lost 🙏❤️ RIP Dear Fred 🙏🙏
