“ *Prayers to the Fister family that in 2016 became part of our family. Mr. Garry was a wonderful human being and will be greatly missed. He many times was the person who stepped up to lead us in prayer at Thanksgiving celebrationas many of the others would get too emotional. Without hesitation he would say the most spiritual words that of course would tug at our hearts and the tears would flow. We will miss you Mr Garry but we will treasure our memories. Thank you for accepting our little Melessia and loving her just as much as we do.*

“ Darlene, Joe, John, and Garry Jr.,
Deb and I are so saddened by the passing of your Loved One, and our friend and Brother in Christ. I've known Garry most of my life growing up as his neighbor. We've worshipped our Lord together, played softball together, and talked about "projects on the house" together. Garry always had a project he was busy with. I'll remember this about Garry; though a big, strong man he was, he had a tender heart, a heart that was always thankful for what Christ had done, and was doing in his life. He was always willing to stand and testify in the House of the Lord about his love and thankfulness for Jesus Christ. Those testimonies impacted souls for Christ.
Job well done Garry Lee Fister Sr.!
