“ My heart is broken upon just hearing of Gary’s passing. What a great guy, father to Stefanie, and a true friend. I will miss his smile, laugh and ear for listening. All my thoughts and prayers to the whole Danhour family 💔

“ It’s hard to put into words the impact that Gary had on my life. So many good times together, yet still not enough. I will never forget Gary always ordering our own pizzas so we all had exactly what we wanted, helping him on his houses, and sitting front row together on my birthday as the Soldier Field crowd electrified us. I wish I would have listened better as he taught me the Rule of 72 on that drive back from Chicago. Gary was always there whether I needed advice or just a friend. Gary was an Uncle, an advisor, and a true friend. I loved him and I will miss him dearly. My heart goes out to Stephanie and all of Gary’s family and friends.
