“ I will never forget Georgana! Instantly upon reading of her passing, I was taken back to 1967/68. I met her when I was just starting high school. Instantly we clicked. We always had a great, fun time together even though we sometimes frustrated her mother! I miss those days, & I have wondered what became of Georgana & Ralph thro the years. Sure wish we could have reconnected before we moved south. My thoughts & prayers go out to her family.

With sincere sympathy,
