“ I would like bud to contact me. Larry Pillman 309-360-5833. My Grandma and Georgia's mother were first cousins. I went to see her three years ago and we looked at old pictures of the log cabin and ancestors. I took her a cheri pie. Tried to contact her at Christmas this year but could not connect. A nice lady as was her sisters. They came to my dad's funeral - Russell Pillman. 2009

“ Aunt Georgia was always a cheerful and important presence in our lives. I cannot remember a time when Aunt Georgia wasn't around. Not only at family gatherings, but at special events - Baptisms, graduations, confirmations, or just a drop-in visit. I remember going to the Zoo, candlelight services at the church, having mom's Oyster stew on New Year's Eve, and so many other occasions with Aunt Georgia. I remember stopping by her hair salon in Peoria over lunch or going there after being at the Y and waiting for mom or dad to come pick me up. I remember going to the malt shop at Tobin's Pharmacy when we visited her. It was always such a treat to visit her, we never stopped doing so whenever we were in the neighborhood the rest of our lives. And I know it wasn't just me. Family was always important to her; after all she was one of the Largent girls! She was full of cheer, comfort, life, and love. We will miss her dearly. God Bless and Rest in Peace.

I remember her and her sisters. They were first cousins with my Grandma Hattie Johnson Pillman. I visited with three years ago inner home. She was showing some of the family pictures & the log cabin. Wished I would have copied them.
