“ *So sad to hear about the passing of my old childhood buddy Glen. I have many happy memories of running around Melbourne street doing goofy kid stuff until the streetlights came on, collecting bugs, playing Batman & Robin in his Dad's old car, fishing at the Lagoon, digging in that old sandbox, sledding at Glen Oak, watching a live performance of the Beatles in his backyard (to a 7-year old, they looked like the Beatles), walking up hill in the snow to Von Steuben and the list goes on. Always sorry that I lost touch after I moved but, I never forgot. May his memory live on. - Nick \"Nicky\" Gerontes*
