“ Debby and I will miss knowing you are not here on earth with us. We have been so happy for you having a family you wanted so much. A beautiful baby girl. We always enjoyed your fb post letting us see Ivy. And knowing you were happy. We had no idea you were sick. We are so sorry we didn't get to pray for you.. We will pray for Ivy. She will grow up to be as wonderful and dear as you! This shouldn't have happen and it did. You should be here and you are not. Debby and I cherish the time we spent together. Although it was many years ago. We never forgot.

“ We had so so many fun times together. We met when we were just babies at Alexanders Steakhouse. We grew to be great friends and had more laughs than I can remember. She made a great vodka gimlet. 😊 We hadn't seen each other much over the last few years but when we did it was like no time had passed. I will always remember her fantastic smile and laugh.. and her ability to always have a great time. I love you Jacks..I will remember you forever!!
