“ My family has known Jim Bush for quite some time. We we knew him when he worked at Midas muffler because we lived right down the street from the shop.. Jim used to always talk to me and my brother when we came up there and my brother worked with him for a bit at the shop. Jim has worked on vehicles for me,my friends as well as my family. He has always been a good friend. My condolences to Jimmy and the rest of his family.. May Jim Bush rest in peace.\n\nGeorge, B. Shaw

“ Uncle Jim you always will be remembered and your have helped me so much in life. You showed me how to do repairs on vehicles and let me work on mine with you. I know more then the basics of things that you taught thatI have tried to pass this to my boys. I looked up to you and appreciate having you as part of my family. I remember your wedding to Aunt Mic and enjoyed my time we spent together.
