“ Babe it's been almost 7 months since you have been gone but never forgotten. Jeremy and I miss you very much. God had his reason, but I never asked God as to why he took you home. We miss hearing your voice and now it's very quiet. We love you dearly ..

“ Dad, It's unbelievable that you have been gone for 217 days, 20 hours, 28 minutes. I'm incomplete without you. I'm used to hearing you either play solitaire or a movie. Or asking me to come in the garage to help you with certain things. Sometimes it got on my nerves. But after awhile I come to get used to it.
