“ I just heard about Janet's passing. I am so sorry to hear this. I lived next door to her and Willmer for a few years. They were great neighbors. I had dogs and she used to let them in and out for me when i was going to be late getting home from work. She loved my fur babies. She was a sweet soul. A bit spicy at times, but very sweet none the less.

“ I was so sad to hear of the passing of Janet, my family and I moved in next door to her and she will always be remembered by us, we moved away to Florida after living next to her for a few years but she always sent us cards and letters for our little boy who she grew to love. We appreciate the time and letters we received from her, she will always be remembered as the greatest neighbor we ever had. Little man and I will miss you

“ Janet became a dear friend when my sister Pat passed away. Pat and Janet were neighbors and good friends. Janet faced her illness with bravery, faith, and her wonderful sense of humor. We laughed and cried together one week ago, and spoke again the afternoon before she left us. These and other short phone calls will be cherished memories. I will miss her. Her little 4-legged critters will miss her as well. God grant her eternal rest in His loving arms. Laugh up a storm with Pat, Janet! Love you. Jeri
