“ We may not have been as close as I would've liked, but I always loved you and asked my mom how you were throughout life. I remember vaguely when you came to visit us in the trailer park with Jeremy and I accidentally tripped over one of his cords thinking I hurt him, I cried for so long but you held me close and told me he was ok. You were never cruel to my clumsiness. I will miss you forever. 💜LLJ💜

“ R.I.H brother. We weren't close in recent years, as life took us in different directions. Know that I thought of you often and missed you. I will hold on dearly to our childhood memories. I pray you are at peace. I know you are in Heaven catching up with Senior and laughing at his jokes and little magic tricks. Please watch over us as we wait to one day see you again ❤️ All my love JT. 🙏🙏🙏🙏

“ Jason... you were an incredibly wonderful person. My daughter and granddaughter absolutely adored you and I find comfort in knowing that you are with them in Heaven now. You loved with your whole being and you will be missed greatly. I will always remember when you gave me your coat to use at Terra's wedding... It was cold and rainy and I was drenched. Your coat had a warmer in it and you were so elated to see that it kept me warm. You also hated when you had to take it back when you left... Please hug my girls up there and fly high with them... Love Always... Mary Jo
