“ *Oh the memories that childhood friends share. We had so many. I regret that we let busy lives come in between and allowed us to drift apart all these years. I'm happy you ended up with such a big family. The greatest gift we are given in life is our family and it seems you were blessed with a beautiful one. I bet you were an amazing grandmother. May your family find comfort in knowing that because of them, your life as a mother and grandmother was a very fulfilling one. Rest in peace my friend, until we meet again.*
