“ *I met Judy later in life. She was a wonderful lady. Always shared her smile with me. I hadn't seen her for quite some time but I had missed her. She was a special person to me.*

“ *Judy babysat for me and my sister and brother. Mom said that Judy was the best babysitter we ever had. She cleaned the house, did the ironing, gave us baths, and would fix me and my sister's hair and have us sitting on the steps when mom and dad came home.*

“ I have literally known Mrs. H all my life. She will be greatly missed. So many fond memories growing up across the street from her. So kind, loving, & generous. She treated us as if we were her own.

“ Love and prayers for the family, she will be missed. A memory of Aunt Judy is when we the whole family would go to Gram's house on Chirstmas Eve, when our family left I would find a whole plate of seven layer bars in the back seat for me as these are my favorite, she was a great cook and loved baking. She was always willing to help others. May she rest in peace and rejoice in being reunited with her loved ones in heaven.
