

Kerri Jo Kelso

May 25, 1963 - September 26, 2024

Kerri Jo Kelso, age 61, of Peoria, passed away on September 26, 2024 at her home.

She was born on May 25, 1963 in Peoria, to Charles and Donna (Shriber) Ensor.

Kerri is survived by her daughter, Jordyn Jo-Lynn Ensor; three grandchildren; A'Meena Renae , Jyri Charles & Kingston Lee and her sister, Laurie (James Ballard) Ensor.

She is preceded in death by her parents, and her brother, Kevin Ensor.

Kerri loved animals and had a wide array of pets. Her grandchildren meant the world to her.

Kerri had many health issues, but that didn't stop her. She was a very outgoing lady; she loved to travel, and she always tried to help everyone else

around her. As her Dad would say both the two-legged and the four-legged kind, her heart was golden.

She was known by all the kids as the neighborhood mom. She lived her life always on the go, and she was the jokester of everything. She brought life to the party. She worked hard as a bartender/waitress for over 30 years. She loved serving her customers as the 'OG,' as they called her. She loved her grandbabies more than anything in this world. She was the best grandmother to them, and they loved her the same way.

We will all miss her tremendously.

Cremations rites have been accord by Schmidt-Haller Burial & Cremation Services. At this time there are no services scheduled.
