“ I only met Kim by chance but I'm glad I did I got along with her from the minute I met her, she was very warm and kind, we met under slightly unfortunate circumstances, she rehomed her dog Lola to me and my family and I promised her we would love her and take care of her little Lola, she gave me a big hug and thank me as I thanked her, she was just amazingly warm and sweet and feel blessed to have gotten to meet her.

“ Even though I lived far away. She would send me pictures of the boys so I could watch them grow up, like I lived down the street. I will forever cherish the memories and the unconditional love we shared for each other. My heart goes out to her four beautiful children, who she loved immensely. Please know you're all not alone during this difficult time, and we are all here for you. Her love and light touched so many through the years. I find comfort knowing she will always be remembered, and her spirit will always continue to guide us. I will cherish every memory and hold her in my thoughts forever. Rest peacefully Kim. I Love You!
