

## Kimberly Ann Thompson

November 16, 1971 - August 5, 2023

Kimberly Ann Thompson, 51, of Peoria, passed away on Saturday, August 5, 2023. She was born on November 16, 1971, in Wilkes-Barre, Pennsylvania, to parents, Edward Thompson and Teresa Rowny. They preceded her in death.

Left to cherish Kimberly's memory is her beloved husband, Peter Meyers, sisters, Dr. Debra Thompson Miller (Michael) and Karen Thompson Muldoon (Shawn); a brother, Dr. Kenneth Thompson (Dianna), nephews Mike, Dave, Kevin, Tyler, nieces Stephanie, Erica, Megan, Erin, Paige, Mariella, Sonia, and Clara and a beloved kitty, Willow, who provided 12 years of companionship.

Kimberly was accepted to medical school out of high school. She attended Wilkes College and then Hahnemann medical school in Philadelphia. Upon completion of her residency at Wake Forest in North Carolina, she accepted a position as a Hospitalist Pediatrician at Lurie's Children's Hospital in Chicago where she provided compassionate care for over a decade.

When Kimberly wasn't devoting her time to medicine (and her cat, Willow), you could find her cultivating as many bonsai trees as possible – at one time having over seventy-five plants in her home! With her husband, Kimberly also enjoyed traveling to the island of St. Croix, where they traveled eight times since 2017. St Croix was Kimberly's happy place.

A memorial service will be held in Pennsylvania at a to be determined time and place. More information will be communicated soon.
