

Larry "Wop" Waughop

January 20, 1953 - November 1, 2022

Born on January 20, 1953 and passed away on November 1, 2022.

How do you choose the perfect words to describe a man that was so many things to so many people? You can't. An amazing father, a caring grandfather, a wonderful friend, and a grieving widower.

A man who changed so many lives for the better by just having known him.

Larry was a lover of life and freedom. He was passionate in all of his hobbies, motorcycle riding, fishing, card and pool playing, hunting, and a vehicle enthusiast.

Larry lived his life exactly how he wanted, on his own terms. He died exactly the same way.

He was not a perfect man, but he was a perfect father and friend to those who mattered the most, incomparable and irreplaceable.

“ I met Larry when he was helping his daughter build her business in Pekin. He was such a sweet guy and always loads of fun. There was no way you could talk with him without him making you laugh. Larry sure made an impression on me and will always be remembered for his upbeat and kind attitude. He will definitely be missed by all who knew and loved him.

“ Oh this makes my heart sad!!! I met Larry when I applied for a job at the bar and I could tell right away he was a genuine man who loved life & people!!! As our friendship grew I learned how heartbroken he was over the loss of his Deb!!! I find comfort in knowing they are finally together again!!! Rest easy Larry, you gave us all a lot of fun times & laughter!!! May his family & friends know he can finally be free of his pain!!! ❤️
