Chris, Rick and I were so sorry to hear your dad passed away. We have been his neighbor for 4 years and always enjoyed visiting with him. He had a great sense of humor! We will miss him. Our thoughts and prayers are with you and those you love.

“ I am so sorry to hear of Larry's passing. I met Larry on one of his daily walks. I shared left overs with him, gave him an occasional ride, and got teary eyed when he stated he remembered my dad from Keystone. I'll miss our discussions and will miss not seeing him on my daily walk. Diane Garrett

*I knew something must of been up because we called on each other often and he didn't answer his phone.Larry was my best friend a friendship that started in kindergarten .We knew ever inch of the neighborhood growing up even farther ,our folks would of had a fit knowing where all we went.We could almost thrown a rock from our house and hit the others house , his grandparents lived behind us ,very sweat people too.Never a day we weren't exploring somewhere.Many of the joys I have in memory will always be when we grew up together and forever will be.We always tried to call each other on our birthdays and send a card ,our birthday was 4 days apart .My heart is broken but I'll rejoice went I get to heaven looking for my friend.May God's peace and comfort surround the family and his friends during this time of such loss in Jesus name I pray .*
