“ I know it’s been a long time, but I will love you forever. I’ve spent the last week laughing at the dances and songs we made up, the secrets we kept, the time spent. Every memory from my childhood includes you by my side. My very first best friend...I know my mom was waiting with open arms. Love you Lee Lee.

“ My mom was the most kindest soul and big hearted person I know, she always made sure me my sister and brother were happy and had what we wanted no matter what, she had such an amazing personality she was always laughing and smiling and telling jokes. My mom had been through a lot and she never failed to reach out and tell us she loves us❤️

“ Leah, I hope you're smiling, beautiful. You were one of a kind, truly a wonderful person who touched my life when I was at my lowest. You taught me that men suck and women are powerful. I know you're at peace, girl. & definitely for a fact I just KNOW you're up there dancing! Praying for your family, and that they may find peace and comfort in remembering all of the good times with you. Rest in paradise, beautiful!
