“ Eddie and the rest of Linda's family -

I cannot express how much I loved your mom. She was my mom's best friend for as long as I can recall. I used to love hearing the two of them talk on the phone after they got home from work, basically recounting the night over and over again. I don't know if you heard the other side of these conversations, but they bring me some joy to think about. Your mom was so kind, so nice, down to earth, fun-loving, fun. I can hear her laugh still. I wish your family peace and condolences during this time.

Best Wishes,

Mike Jones & Family

“ Linda was a beautiful lady and though I only knew her for a short amount of time I hope she knew she was very much loved. She raised a great son whose humor and work ethic is beyond measure. That alone shows Linda was a strong and amazing woman!
