“Lindy and i were friends for several years. We played dominoes and bingo together. We also used to walk together at the soccer center and often went out for lunch together.. Lindy really loved her family and she often asked me to pray for them if she had concerns. She would pray for me also. We texted frequently and shared lots of things. I will miss her but know i will see her again in heaven.

Lindy and I were in Red Hats together. She was more adventurous than I was. She would order an unusual dish and we'd all try it. We shared a love of reading and would trade books. She will be missed by her family and friends. ❤️

My family and I are so very sorry about Lindy. We also just now heard about Susie. How heartbreaking for all of you. Mom and Betty, the 4 sisters' mother, were very close friends. Our 2 families lived near to each other, and spent a lot of time together through our childhood. So many memories. You are all in our thoughts and prayers.
