“ The lord knew I needed to know Lori, so he helped me find a best friend in her youngest daughter Emma (Rexie). I also got to become close with the entire family, including her kids, their kids and Lori's siblings. My husband and i would enjoy hanging out at her place on the weekends after a quick trip to Sam's club for hot dogs! Life will never be the same with out her here, I know how much better my life has been since knowing Lori. My heart is with her family and friends. ❤️
