“ I'm so sorry to all of the loved ones of Mara. She is my grandma, and I just wanted to say how I have had so many memories with her and I wish I could've seen her more often. She was such a beautiful and kind lady. And I would want her to be my grandma in every lifetime there is. Again much love to her other loved ones and her sons my dad Jim and uncle John. xoxo

“ My heartfelt condolences to Mara's loved ones. She looked like a lovely lady and i am sorry I didn't act soon enough. Mara and my Father Ernests Lorbergs would have been in the same Displaced Persons Camp near Augsburg and when my Dad migrated to Australia he wrote to Mara. She mentioned the letters to Anita and was going to locate them for me. Anita is offering her U.S. address if they haven't been disposed of. Irene Lorbergs, Canberra, Australia.

“ My sincere condolences to her sons and their families. I am Mara's 2nd cousin. We hadn't been in touch too much over the years, but she was a good friend to my mother Virginia Emilia Lorbergs who predeceased her and my brother Robert Lorbergs who would get in touch. We ran out of time to discuss our family's history and the fairly recent discovery of another 2nd cousin in Australia who I'm in contact with. May you rest in peace! xxoo
