“ I just learned today that Martha is in Heaven. She was a dear friend while she was at Tennessee Temple. I loved Martha because she had a good heart, she loved to have fun, she was willing to take on anything with joy. I loved how she loved her brother and sister who also came to Temple, and spoke of all her other siblings often sharing events that happened growing up...I remember how they would "pass the rag" during meal times. She was a stitch. She will sorely missed by all who were blessed to know her.

Was so glad that she and Joey got together, married and served the Lord. Both coming from big families was not surprising that they would welcome a big family. People like this ought to raise big families and make the world a better place.

What a beautiful service to celebrate her life. Thank you for sharing this for those of us who couldn't make it there to stand with you and your family. May you sense God's peace and comfort during the days that follow. You are blessed and highly favored.

“ Martha was my pastor's wife but she made time to be my friend. She was a godly example of a humble servant who loved her family sacrificially. Her life and her laugh were genuine. Her expertise in sandwich making is the reason we switched to Hellman's mayo from Miracle Whip! Prayers for you all.

“ Your cousins in Red Bay, Alabama were always so excited to see your family’s car pull up at our house. So many of you came tumbling out and we knew that fun was about to ensue. And it always did! Through the years, our lives took us in different directions and the frequency of our visits grew farther apart. But Martha, what didn’t change was your warmth, your smile and the way we could always just pick up conversations as though we saw each every day. You were a gift to Lurline and her kids...especially me. You always left me feeling as though I had been filled with joy, uplifted and enlightened. That gift will stay with me in all the lovely memories I have of you.

“ *Martha you were such a godly woman who always stood beside her husband often .. I can say that you were more of a virtuous woman that took care of her husband and their children. Most of all she took excellent care of her many grandchildren and was in the church nursery and in her Sunday school class .. I was very honored to work with her in the nursery and her Sunday school class .. Martha you will be missed dearly but you never be forgotten ... God bless you Pastor and the families at this time ...*

“ *What a Godly lady, Pastor's wife and Mother. The legacy she has left for her children and grandchildren will last for many years to come. We are so saddened with her homegoing, but rejoice that she is with the Lord. We had such great love and respect for her and we know she will certainly be missed by so many lives of people we here may never realize. We are praying for Gods Wonderful Grace and Peace over these next few days. We stand ready to help in anyway possible. We are praying for you all.*
