“ Maurice,Maurice,Maurice I’m really gonna miss you! I was waiting for you to call me after you seen momma because you changed your number and we have talked so many times since I left. I always make a bee line to you where ever you are when I sneak in and out of the city. This will be a hard pill to swallow not seeing you but I know you are in a better place and God said he needed you to do some hair up there because you are one the coldest! I love you Reese!
