“ My dear Brother now that you are gone You're no longer here to share The bond we had together A bond of love and care. Yet, somehow something tells me You are watching over me - Now that from Worldhy cares You finally are free. I miss you so very much, And my tears I cannot hide Yet, within my heart, I feel You are always by my side. Ever since you went away Life has never been the same Yet, it comforts me to know That one day well meet again.
